

Marine Sunroofs - Series 40

The All-New Electric Marine Sliding Sunroof

Series 40

Webasto's new Series 40 is a premium Marine Sunroof featuring an ultra reliable, intelligent E-Drive system that self calibrates. This new roof platform offers a sleek, low profile design to be able to fit in smaller boat roofs. It has opened a new door for the marine market, outside of what currently exists without sacrificing reliability or strength.

Like all Webasto Marine Sunroofs, the new Series 40 is extremely quiet, has a watertight mechanism and is delivered fully assembled, tested and ready to be installed.

Product Features:

- Standard roof with attractive design and safety glass
- Watertight sealing
- Fast and simple installation
- Robust and quality-tested design
- Optional fixed glass panel for panoramic views
- Electrical operation

Series 40. The sleek solution.
